To Whom it May Concern,

It is my pleasure and honor to recommend Robert Scarcella for any technical job involving computers, web design, etc. I have worked with Rob for about 5 years on our web page, where he used his excellent technical skills to deliver an easy to navigate and functional web page for our Road Commission. I am confident that Rob's exceptional skills, professional experience, and personal qualities will make him a powerful asset at your organization.

As our web designer, Rob constantly demonstrates an extensive knowledge of web design tools and techniques, as well as superb communication skills. In particular, his in-depth knowledge of Wordpress makes my job much easier. Whenever I have an issue, he is quick to respond, and able to explain what I need to know in a patient, concise and logical manner that truly facilitates my work.

Rob has my highest recommendation for any position. I have no doubt he will make a strong addition to your team. Please feel free to contact me if you have any questions regarding his candidacy or past work.

Sincerely,

Christine Matthews
