To Whom It May Concern:

My name is Tyler Cook and I am the CEO and owner of Cook Manufacturing. It is my pleasure to strongly recommend Rob Scarcella for your organization. I first met Rob approximately 2.5 years ago when he was helping us with some IT issues. He was able to quickly identify our issues and make logical recommendations based on our business goals. Our network and IT infrastructure has been flawless sense Rob's involvement. Rob is one of the few individuals I've met in the IT field who is extremely knowledgeable but also understands the perspective of the business owner. I know Rob would make a great addition to your organization. Please do not hesitate to contact me if you have any questions.

Sincerely,

Tyler Cook
